Other Details?

- TA and prof office hours ran all week
 - check the schedule on Blackboard
 - use them!
 - Teams is the fast way to get response

Request

There's a button on WeBWork that says "Email". If you can, please don't use it unless something has gone wrong / crashed. It goes directly to my (Wesley's) email **only**, so the TAs can't help answer questions. Asking in Teams is kinder to my poor email inbox ... :)
