

1051H 2020FA: Week #03

Wesley Burr

18/09/2020

Week 03

What is this video?

Reminder: why am I making these videos?

Schedule

- Friday 25th - fifth lecture (summary statistics, plots, and R) posted
- Monday 28th - sixth lecture (chapter 3!) posted
- Tuesday 29th - in-person overview of sixth lecture, plus commentary, Q&A
- Tuesday 29th / Wednesday 30th - third in-person workshop - learning about vectors

PDF posted on Blackboard with full details of the next six weeks.

To Do List

- make **sure** RStudio is working and making PDFs for you
- finish WeBWork Assignment #02 for tonight (Friday night, 25th!)
- start WeBWork Assignment #03
- get caught up on lectures, watch Lecture 05 (today) and 06 (Monday) asynch version
- finish your readings of Chapter 2 if you haven't already
- get started on the R Assignment #1

Other Details?

- TA and prof office hours ran all week
 - check the schedule on Blackboard
 - use them!
 - Teams is the fast way to get response
 - starting to see good usage: keep it up!
